Description

Iconic Andrew Martin, this vintage style Union Jack Sofa is made with aged chocolate brown leather with deep dyed Union Jack Design across the buttoned back.

Squared off deep button & pleat detail complete with bronze stud design across the arms and distressed finish, give this an antiqued appeal.

The straight lines and shape of this sofa combined with the pleat detail also give it a contemporary edge and a modern take on a more traditional style.

This fusion of contemporary and traditional in the manufacturing of this sofa that makes it perfect for both current and classic design schemes alike.
