Description

Iconic Andrew Martin Sofa, this vintage, traditional Chesterfield style sofa is upholstered in a striking aged tan leather to give an antiqued and well-loved appearance, finished with a deep dyed American Stars & Stripes design across the buttoned back.

Featuring bronzed stud detailing around the arms, four rows of deep button detailing across the back and a beautiful pleated detail across the scroll arms and roll back, this sofa comes complete with traditional timber turned legs on castors.

A firm favourite of the Design Team, this sofa is the perfect piece for a relaxed and stylish room with character. It's this fusion of contemporary and traditional in the manufacturing of this sofa that makes it perfect for both current and classic design schemes alike.
