Silver baroque style Kartell table lamp designed by Philippe Stark.  
KA0202

Dimensions  
Height: Min 68cm - Max 78cm

Colour : Silver  
Material : Polycarbonate

### Description

Iconic Kartell table lamp with baroque style and modern materials. The Silver Kartell Bourgie Table Lamp is made from metallic ABS and skilfully combines classic design, richness and innovation with a touch of irony. The baroque style base is composed of three interconnecting decorative layers. Each lampshade has a pleated effect, which creates a myriad of reflections when the lamp is turned on due to the polycarbonate finish. The lampshade's unique attachment system makes three different heights possible and the lamp can be adjusted according to the desired requirement of 68, 73 or 78cm. A gorgeous decorative desk or table lamp this fabulous light will create atmosphere in any room. This version is dimmable. Requires 3 x E14 max 28W bulbs (included).
