### Description

Stylish polished stainless steel chest of drawers with brown leather handles and stud detailing.

Clear the clutter in style with the Andrew Martin Steel/Brown Leather Chest of Drawers.

The chest of drawers is crafted by skilled artisans from industrial stainless steel, holding a reflective finish with a welcoming shine.

A charming addition for the bedroom or study, this distinctive piece features three sliding drawers, each with luxurious brown leather double handles and bolt stud detailing.

Andrew Martin are celebrated internationally for their unique originality and style and this stunning set of drawers is no exception.

We love the hidden storage hatch at the top of the chest which is sealed with clip bolt lock, similar to those found on vintage suitcases and briefcases, offering a timeless aura to the piece.

The chest of drawers will make a perfect addition to a contemporary scheme with its industrial allure which is sure to never go out of style.
