### Description

Nautical style industrial pendant lamp with chain suspension. Illuminate the beauty of your interior with the Eichholtz La Marina Pendant Lamp.

Inspired by the nautical light fittings of luxury transatlantic cruise ships, this designer pendant lamp is the perfect accent for above breakfast bars and dining tables.

Sculpted in a choice of industrial metallic finishes, the lamp is durable and easy to install, complete with chain suspension and accenting ceiling rose for a unified aesthetic.

Hand crafted by skilled artisans, the classic rounded lamp head features stepped rippled detailing for added dimension.

Authentic brass fixings and a clear glass porthole diffuser then complete the aesthetic in style.

Hang alone or group together in an aligned formation for maximum visual impact.

- Aluminium finish is sculpted from iron with accenting chain and ceiling rose.
- Brass finish is sculpted from stainless steel with accenting chain and ceiling rose.
- 150cm chain suspension and 350cm wire cable included.
- Requires 1x E27 40W Max (light bulb not included). This product is hardwired - professional installation recommended.

Approximate net product weight: 5kg

Please note: Hand sculpted by skilled artisans, each pendant lamp is distinctively unique every time with no two exactly the same.
