Description

Bauhaus style wall bracket lamp with 2m cable.
Create a layered illumination in your interior design scheme with the Bestlite BL5 Wall Bracket Lamp.

Derived from Robert Dudley Best's original 1930s design, this sophisticated Bestlite Wall Lamp collection is now manufactured exclusively by Danish design icons, Gubi.

Taking inspiration from the Bauhaus era, it available as standard with a 2 metre cable and the wall lamp is designed to fix to the wall with the cable running downward from the fixture to your plug socket below.

Each wall light is available in a choice of finishes and colourways with an on/off switch on the cable and adjustable rounded downlight lampshade and extension arm to channel directed light exactly where you need it most.

Light source: 1x E14 40 W HAL light bulb (not included)

Cable length: 2 metres with EU/UK socket adaptor and on/off cable switch.

This product is not hardwired, the cable leads down to your plug socket below.
