

Diesel Fork Table Lamp

Fabric and anodised metal table lamp from Diesel.

FO0007

Dimensions

Height: Max 63 cm, Min 50cm

Colour : Grey

Material : Fabric And Anodised Metal

Description

Inspired by casual fashion, campsite tents and a playful dynamic lifestyle; the Fork lamp is both beautiful and flexible. The stitched detail of its fabric shade had been created to echo the stitching of that on a pair of jeans. When illuminated the light inside reveals the structure and detail of the shade similar to when a torch is shone from inside a tent. It is extremely flexible and mobile and means you can change the direction of the lamp to suit your needs. Also available as a floor lamp. Requires halogen 1x60w R7s (78mm) bulb or halogen energy saver 1x48 R7s (78mm) bulb (not included).
