

Innermost Lighthouse Pendant Light

Contemporary reflective pendant LED ceiling lamp.
IN1795

Colour : Clear
Material : Polycarbonate

Description

Contemporary reflective pendant LED ceiling lamp.
Illuminate the beauty of your interior space with the Innermost Lighthouse Pendant Light.

Part of the unusual Lighthouse lighting collection from Innermost, this unique designer pendant lamp offers a contemporary illumination for the heart of your interior design scheme.

Drawing reference from the optical lenses used in a lighthouse tower these lamps reflect and distort light creating stylish lighting arrangements.

Please note only Large & XL come complete with polycarbonate diffuser.
Requires LED light bulb for optimum illusion: 1 x E14 E27 70w or 100w bulb max (not included).
