### Description

Fabulous Flos pendant lamp designed by Jasper Morrison in 1998. Diffuser consists of an externally acid-etched, hand blown, flashed opaline glass and transparent, injection molded polycarbonate diffuser support. This simple but stylish pendant lamp injects diffused light into the interior while it hangs from a suspension cable. The pendant lamp is one of several lights from the Glo-Ball collection of Flos and is available in a range of sizes. Mix and match several pieces for a complete look to your lighting collection. From Flos and designed by Jasper Morrison, give this timeless and illustrious lighting solution a space in your home interior  
Max cable length 3.7m.  
Bulb requirements:  
S1 = 1 x MAX 150W E27 HS GS
