Description

Inspired by the British structural engineer of the same name who was famous for his involvement in the first British railway and a succession of steamships and numerous important bridges and tunnels, the Isambard Wallpaper from Andrew Martin offers an insight into UK history as well as a stylish addition to the interior of your home.

With painted steel effect panel design, this wallpaper from the UK design brand offers a unique addition to the walls of your home while injecting character and unrivaled style in your interior.

A fabulous wallpaper with a pattern repeat of 76.2cm, the Andrew Martin Isambard Wallpaper is available in one of four colour finishes, while it will add new dimensions of style to the home and enhance whichever room it covers the walls in.

Distinct and unique, the designs from Andrew Martin are inspired by history and travel. With over 30 years' experience in the design industry, allow a pivotal figure to take your home interior from ordinary to extraordinary.
