Description

Alpaca and sheep wool throw from Elvang.
Channel comfort and style into lounge and bedroom interiors with the Elvang Classic Throw.
Presented in a choice of single colour finishes, this luxury wool throw combines Danish minimalism and heritage craftsmanship in harmony. Created using natural fibres, this luxury throw's soft alpaca and sheep wool blend makes it a sure-win for sensitive skin.
Supporting the economic growth of alpaca farmers in Peru, Elvang products are created using the heritage production techniques of local spinners and weavers to create timeless products with an unrivalled quality.
Use to add dimension in stark contemporary schemes or to bring a little extra warmth to furnishing and bedding as the colder night's draw in.
Complement with luxury cushions from the Houseology Elvang collection for a fine fusion of designer style.
