Dimensions  
Height: Overall 200cm

Colour : No  
Material : Metal & Tissue

---

### Description

This stylish Diesel pendant lamp is inspired by the lamps used on photo - sets and gives absolute versatility, technology and a fashionable style. Its material finish originates from the world of technical clothing, a linen treated to become highly reflective paired with a non-tear nylon and heat sealed seams. Available in 2 different colourways which create a marked contrast between the different colours of fabric and the beam of light from each.

Requires 1 x 25W bulb (not included)
