Dimensions
Height: 11cm

Colour : No
Material : Polycarbonate & Glass

Description

The Mysterio ceiling lamp is both ironic and iconic like a flying saucer floating in space. Inspired by a magic mirror and a mysterious house out of a thriller or a 1970s B-movie, this vintage inspired lamp is contemporary in its excellent production consisting of a polycarbonate diffuser, the internal surface of which features a metallic finish split into 12 sections to reflect the light beam as if in maze of mirrors. Available in 2 colours, warm and domestic white with copper or cool refined black with silver. This lamp is perfect for transforming room in your home with its mysterious and original charm.
Requires 1 x 33W bulb (not included).
