

Diesel Pipe Table Lamp

Metal tissue table lamp with flecked monochrome pattern.
FO0122

Dimensions
Height: 53cm

Colour : No
Material : Metal & Tissue

Description

This fabulous totem table lamp is inspired by industrial piping and clad with casual chic fabrics. This lamp speaks the language of Diesel fashion with a warm diffused light across the entire surface of the lamp and the irregular weft of the unrefined linen in the bleached version or the textured screen print of the black version. This piece revolutionizes the traditional lampshade lamp.
