### Description

Black nickel finish table lamp from Eichholtz.  
Channel understated glamour into your interior space with the Napoleon Table Lamp from Eichholtz.  
Inspired by the elegance of boutique hotel lighting schemes, this luxury table lamp features a black steel and aluminium base.  
Nickel detailing then invites a metallic contrast to the column structure as a square base plate balances the design.  
A monochrome accent for console tables or side tables of the home, a black polyester drum shade completes the look in style.  
Unlock your inner designer and find more interior design inspiration in the Houseology Eichholtz designer furniture and luxury lighting collection.  
Approximate net product weight: 4kg  
Light source: 1x E27 40W Max light bulb (not included)  
Cable length: 200cm
