

## Innermost Facet Chandelier

Elegant stainless steel facet chandelier ceiling pendant.  
IN1909

Colour : Silver  
Material : Stainless Steel

### Description

This gorgeous Facet Chandelier from Innermost was designed by Tom Kirk. The designers at Houseology just love it and we have used it in one of our fabulous hotel projects where it looks stunning. Available in two sizes, the Aluminium pipes reflect the light and creates an opulent, gorgeous chandelier which would be a feature piece in any design-conscious scheme.
