

Designers Guild Eberson Cobalt Rug

Ombre toned designer rug.
DG3148

Colour : Blue
Material : 100% Viscose

Description

Deep rich luxury floor rug from Designers Guild.
The lustrous Eberson Cobalt Rug is a beautiful way to add a touch of colour to your home.
Hand woven on traditional broad looms and sun-dried for softness, each floor rug has a unique blue ombre luster that feels as luxurious as it looks. A must have statement floor rug from the fabulous Designers Guild collection.
With its delightful tones of cobalt, navy and sea blue, the Eberson rug works perfectly as a centre-piece in the lounge or hallway.
The stunning ombre pattern creates a unique statement sure to never go out of style.
A favourite with our designers, the Eberson Cobalt Rug promises to inject a stunning style statement in both classic and contemporary interiors.
Please note due to the production process and ombre effect, each rug is uniquely individual and colour variations are joyfully celebrated as no two rugs are alike.
