Description

Inject some vintage style into your home with the Rebel Union Jack Sofa from Andrew Martin. An iconic piece for the room, this traditional Chesterfield style sofa is upholstered in a striking aged tobacco leather to give an antiqued and well-loved appearance, finished with a deep dyed Union Jack design across the buttoned back.

Featuring bronzed stud detailing around the arms, four rows of deep button detailing across the back and a beautiful pleated detail across the scroll arms and roll back, this sofa comes complete with traditional dark timber turned legs on castors.

It's this fusion of contemporary and traditional in the manufacturing of this sofa that makes the Rebel Union Jack Sofa perfect for both current and classic design schemes alike.

A firm favourite of the design team here at Houseology, this sofa from Andrew Martin is the perfect piece for a relaxed and stylish room with character.

Distinct and unique, the designs from Andrew Martin are inspired by history and travel. With over 30 years' experience in the design industry, allow a pivotal figure to take your home interior from ordinary to extraordinary.
