Description

It's a rare thing that one interior piece alone can set the home apart, be the difference between what's lavish and what's lacking and be the main talking point every time someone new walks into the room. This is exactly what the Rebel Sofa from Andrew Martin brings to your home.

A stunning piece from Andrew Martin, this vintage Chesterfield-style sofa is upholstered in a striking aged tan leather to give it an antique and beautiful appearance.

Featuring bronzed stud detailing around the arms, four rows of deep button detailing across the back and a beautiful pleated detail across the scroll arms and roll back, the Andrew Martin Rebel Sofa comes complete with traditional timber turned legs on castors.

It's this fusion of contemporary and traditional in the manufacturing of this sofa that makes it perfect for both current and classic design schemes alike.

Distinct and unique, the designs from Andrew Martin are inspired by history and travel. With over 30 years' experience in the design industry, allow a pivotal figure to take your home interior from ordinary to extraordinary.
