Description

Rectangular mirror with contemporary finish.

The Deknudt Berlin Silver Mirror has a classic design with a contemporary finish, allowing it to transform your scheme.

Complement the mirror by placing it on or above a feature console and adding gorgeous table lamps at either side.

Rectangular in shape the mirror features a polished silver finish frame which will channel modernity into your room as it reflects the beauty of your interior in style.

Flexible as well as effortlessly beautiful, the mirror can be hung both portrait and landscape, adaptable depending on your individual preference.

Deknudt combines craftsmanship with innovation to create mirrors with the highest quality design, reflection and frame, making the Berlin collection the perfect addition to channel designer style into your interior.

Hanging instructions: 2 directions (portrait or landscape)

Net product weight: 9kg
