Description

Traditional Chesterfield style sofa with a lower button back detail, upholstered in a striking aged tobacco leather to give an antiqued and well loved appearance.

Featuring bronzed stud detailing around the arms, four rows of button detailing across the back and a beautiful pleated detail across the scroll arms and roll back, this sofa comes complete with dark timber tub feet. A favourite of the Design Team, this sofa is the perfect look for a relaxed and evolved colonial style look. Inside seat depth approximately 63cm front to back.
