Description

Stylish polished nickel A-Z bookend set.

Bring a designer edge to your bookcase with the Eichholtz A-Z Set of 2 Bookends.

Luxuriously hand crafted by designer home ware icons, Eichholtz, this gorgeous set of polished nickel bookends is sure to accessorise your study in style.

Expertly hand crafted by skilled artisans, the polished nickel has been lovingly sculpted into a charming lower case letter 'a' and 'z'.

Organise your books in style or stand alone to create a lovely designer edge in the lounge or bedroom.

A distinctive gift for a special occasion or exquisite designer treat to yourself, the Eichholtz bookends are a charming way to channel designer edge into your interior scheme.

Please note due to the natural production process of this set, the look and shape may slightly vary however this variation is to be joyfully celebrated as no two bookends are exactly alike making it a truly unique style statement for your home interior.
