### Description

Grey wolf faux fur throw from the Winter Home collection. Add the final flourishes to your chalet-inspired interior with the Winter Home Timberwolf Faux Fur Throw. Luxuriously woven from a super soft faux fur composition of yarn and synthetic fibres, this stylish throw gives the impression of a distinctive long-hair accessory. Presented in a multi-tonal dark grey finish with snow white tones for a gentle contrast, it is ideal for adding dimension to armchairs or luxury bed linen. Welcome a winter of contentment by combining with luxury cushions from the Houseology Winter Home collection for a fine fusion of designer style. Please note: Each faux fur throw is distinctively unique every time making this a bespoke home decor accessory for the heart of your home.
