### Description

Stylish black gloss side table. Channel sophistication and glamour into your interior with the Eichholtz Coco Side Table. Luxuriously hand crafted by designer homeware icons, Eichholtz, this gorgeous side table is ideal for creating a chic style statement in both classic and contemporary interiors. Circular in shape the table features a piano black drum-lid which is elevated by a sleek and contemporary polished nickel frame. The polished nickel base legs wrap effortlessly around the table top and elevate the table with ease. Making a slight nod to industrial design, the table is finished beautifully by a series of polished nickel bolts, adding subtle texture to the piece. Great for the living room or by your bedside, the Coco collection is a timeless designer addition sure to never go out of style.
