Description

Elegant glass and polished nickel table lamp. The Valence Table Lamp is a fine addition to channel sophistication and elegance into your interior scheme. Created by luxury home ware icons, Eichholtz, the lamp features a graceful sculptural glass base made of rippled glass sphere balls. The glass lamp base wraps elegantly around an inner steel rod creating an interesting blend of classic and industrial materials. An earthy beige pleated shade finishes the design beautifully, sure to illuminate your interior in style. This gorgeous table lamp will add a new dimension to your scheme as it creates a stunning focal point of ambient light, ideal for the bedroom or living room. Requires 1x E27 Max 40W bulb (not included).
