### Description

Aviator inspired propeller clock. Clock watch in style with the Hercules Propeller Clock. Imaginatively created by luxury homeware brand Eichholtz, this beautiful propeller shaped clock is a unique accessory for the home. Distinctively influenced by aviator style, the clock face is gracefully set into the polished nickel propeller and supported by a matt black circular base. This lovely clock is a charming alternative to the conventional clock and its friendly face is finished in a wonderful azure blue protected by durable convex glass. An unusual home accessory with aviator style, this charming piece will channel timeless appeal into the heart of your home and will make a distinguished designer gift for a special occasion. Made by Eichholtz it is artisan crafted with meticulous care by skilled craftsmen. Each item is unique and slight variations in appearance are to be expected and celebrated as no two items are exactly alike.
