Description

Polished nickel and wood set of two deer head skulls. Transform your interior in an instant with the Eichholtz Deer Skull Set of 2 Polished Steel. Inspired by antique taxidermy mounted deer heads, this dynamic duo feature a cast polished steel construction with dark wooden mounting plaque. Recess anchor points make the backing easy to hang as the commanding sculptural proportions and characterful antlers welcome a feeling of unique originality to otherwise minimalist interior settings. Install yours together for a striking sense of style symmetry at either side of your gorgeous wood burning fire. Unlock your inner designer and find more interior design inspiration in the Houseology Eichholtz designer furniture and luxury homeware collection. Note: Dimensions shown are per piece. Approximate net product weight: 2kg
