### Description

Having a stylish lamp can make or break a desk or office space. This stunning brushed aluminium Type 1228 Desk Lamp from Anglepoise has sharp geometric shape, echoing the slight industrial feel of the brand. The design is a restructure of the original three-spring lamp designed in the 1970s and will fit into any design conscious interior.

The Anglepoise Type 1228 Desk Lamp is available in a fine array of 6 finishes, allowing you to mix and match to find the perfect piece for your room interior.

From the original Anglepoise lamp which was created in by George Cowardine, the brand remains as popular as ever as it adapts to modern and contemporary times while still retaining a strong design ethos that remains true to the original lamp of 1932.

Requires 1 x max 60W ES CFL spiral bulb.
