Description

Add an injection of style to home working areas with the Anglepoise Type 75 Desk Lamp.

While Anglepoise has echoed this design for decades, as interior designers and style lovers, we at Houseology appreciate the industrial design and how stunning the lamp is.

The lamps' classic look, smooth lines and full adjustability all come together along with purpose to bring you a functional and stunning designer desk light, which would be perfect for the office or in your home. Requires 1 x 15W spiral CFL bulb. Max 60W.
