GU0114

Dimensions  
Width: 43.5cm  
Height: 125.5cm

Colour : White  
Material : Powder Coated Tubular Steel With Powder Coated Aluminium Base Weighted With Cast Iron Ballast

### Description

Following the highly successful launch of Greta Grossman's iconic mid-century Gråshoppa and Cobra lamps in 2012, Gubi has now launched a new matt white version of the elegant Gråshoppa floor lamp. The iconic Gråshoppa lamp was first produced in small batches from 1947-1948 and is possibly Grossman's best known design. Original pieces are very scarce and command extremely high prices at auction. Gubi's Gråshoppa lamp is a faithful reproduction of the original design, and is produced under license to the highest specification. The Gråshoppa's conical shade is mounted onto a flexible arm, so the light can be directional, yet the glare is minimal. Both stand and shade are powdercoated and are available in 6 unique colours: matte white, anthracite grey, warm grey, blue-grey, jet black and vintage red. Cord length approx 2m length. Requires light bulb max 40W, E14 base (not included)
