Description

Hello is a floor lamp from Normann Copenhagen that adds light and character to its surroundings through its simple, clear and playful character.

With a futuristic expression the round forms of its shade and body give the lamp character. It is almost calling out in a hushed way.

Hello's inner shade in acrylic reflects the light and creates a soft and pleasant surrounding light.

The body, made of beech, contrasts against the steel shade and adds warmth and a playful expression to the floor lamp.

Please note lamp comes with Euro plug (UK adaptor required - not included).
