Description

Elegant spun metal rounded spinning pendant ceiling lamp. Designed by Benjamin Hubert, exclusively for & Tradition, the Spinning Pendant takes inspiration from the joyful spinning-top toy. Reminiscent of joyful childhood memories, it is uniquely sculpted by spinning metal, combining form and function in an innovatively contemporary way. A modern classic, it is elevated by a durable PVC cord which will suspend the light to achieve a directed down light illumination. Available in a choice of muted tones, install above your kitchen table or add style to your bedroom with this luxury addition of simply, chic Scandinavian style. Please note: Requires 1 x E27 60W Max or 11W low energy bulb (light bulb not included) Approximate net product weight: 2.30kg Rating: IP20 CE Class II Voltage: 220-240V Canopy: Included with 4 metre PVC suspension cord. Installation: This product is hardwired - professional installation recommended.
