### Description

Spun metal pendant lamp, available in a choice of colourways. Add a touch of Scandinavian style to your home interior space with the & Tradition Spinning Pendant BH2. Inspired by one of our favourite childhood toys - the spinning top, the joyful form of the Spinning Pendant is innovatively spun by skilled craftsmen from one singular sheet of aluminium. A new classic for modern living, the sleek design and familiar shape looks great as a singular lighting solution and equally impressive when installed in multiples above breakfast bars and dining settings. Available in a choice of uplifting colourways, use to add joy to the everyday and layer with accenting designer lighting from the Houseology & Tradition collection to create a fine fusion of classic-meets-contemporary style. Please note: Requires 1 x E27 bulb max 60 W or 11 W low energy bulb (light bulb not included)  
Approximate net product weight: 2.30kg  
Rating: IP20 CE Class II  
Canopy: Included with 4 metre PVC suspension cord.  
Installation: This product is hardwired - professional installation recommended.
