Description

Lacquered steel pendant light comprising two facing semi-circles. Invite & Tradition's vast spectrum of colours into your home with FlowerPot Pendant Light VP1. First designed in 1971 by Verner Panton, this iconic lacquered steel pendant light is an instantly recognisable style icon. Captivated by the timeless elegance of fluid forms, Panton designed this spherical semi-circular lighting solution to be more than just a source of illumination. Designed to be saturated in repeated patterns of psychedelic colours, this iconic contemporary pendant light collection can be found in contemporary design museums, exhibition spaces, luxury residences and trendy bars around the world. Panton summed his creation up perfectly when he said "The main purpose of my work is to provoke people into using their imagination and to make their surroundings more exciting..." Also available in a choice of metallic finishes in the Houseology And Tradition collection. Light source: Requires 1x 60W Max E27 light bulb (not included) Voltage: 220-240V Rating: CE IP20 Class II Installation: Includes ceiling kit with 3 metre fabric cord - hardwired professional installation recommended. Approximate net product weight: 0.95kg
