

## & Tradition Hoof Table Sw1

Stylish oak wooden table with sharpened tripod legs.

TR0105

Dimensions  
Height: 50cm

Colour : Black  
Material : Oak

### Description

The inspiration for Samuel Wilkinson's Hoof table derives from the feet - which are sharpened at the ends to provide a functional statement. In contrast to most tables the leg ends of Hoof are left untreated to avoid the paint being chipped off by kicking or being knocked. Much of Wilkinson's work carries reference to nature and the unimaginable creations found in the scenery. Self assembly required. Available in 4 stylish colours.
