

## & Tradition Hoof Table Sw2

Modern round oak table with sharpened tripod legs.

TR0110

Dimensions  
Height: 40cm

Colour : Black  
Material : Oak

### Description

Designed by Samuel Wilkinson, the Hoof table design derives from the feet which are sharpened at the ends to provide a functional statement. In contrast to most everyday tables the leg ends of Hoof are left untreated to avoid the paint being chipped off by kicking or being knocked and form a striking design feature.

Much of Wilkinson's work carries reference to nature and the unimaginable creations found in the scenery.

Self assembly required.
