Description

We love this iconic Hollywood lamp from eclectic lighting company its about Romi. With 3 leg tripod base this large round adjustable lamp with oversized bulb cover adds film set glamour to home interiors and is available in black or white powder coated metal finish. Go back in time to the movie sets of old Hollywood. Started in 1993 its about Romi has grown from a small company with a collection of products to a high quality company producing a wide group of items with hundreds of eclectic home lighting accessories.

Requires E27 Max 60W bulb. 270cm matching fabric cable, with hand switch on shade. Please note this item comes with Euro plug, adaptor is required (not included).
