Description

The Bonn candelabra from It's about RoMi is an ultra colourful and fun feature light for any home interior. Consisting of 12 individual lamps complete with assorted cotton shades.

Its about Romi has grown from a small collection of products from a company formed in 1993 in Amsterdam to a wide group of items with hundreds of eclectic home lighting accessories. It is a fabulously eclectic brand with a stylish design ethos.

Lamp requires 12 x E14 Max 40W bulbs (not included).
250cm transparent plastic cable.

Round drum shades each 18cm diameter x 15cm high.
