Description

Heathfield & Co Anya table lamp with coloured glass base which has been freeblown and hand formed to distort the shape and add interesting silhouettes, this stunning lamp has an additional decorative detail of small bubbles in the colour drop.

Available in Peacock, Olive and Violet, each lamp comes complete with a 14" matching satin shade with silver PVC inner.

Please note due to the artisan finish of these lamps each will vary slightly in height.

We have the full collection of Heathfield & Co lampshades available, so if you would like another type or colour please contact customer services for further information.

Requires 1 x E27 Bulb (not included).
