Description

Antique nickel wall light with colourful glass shade.
Enrich your interior with the captivating charisma of the Curzon Brass Wall Light.

Designed by luxury lighting specialists, Curzon redefines the traditional wall light with its free flowing mouthblown glass shade.

Available in a choice of colours and finishes, its rich jewel tone will create a decadent illumination in the heart of your interior space.

Set with a strong antique nickel plate, accent with other additions from the Houseology designer homeware collection for a layered aesthetic of designer style.

Please note: Requires 1x E14 40W Max light bulb (not included).
