Description

Classic black dining table with vintage style that extends from 164 - 244cm. Finished with castor feet which add glamour and also make it easy to manoeuvre when extending for more guests. We love the simple versatile style of this dining table that works well both for informal everyday dining or more sophisticated dinner parties. This look can be dressed up or down depending on your choice of chair to accompany it, go for luxury velvet or cashmere chairs for the ultimate in glamour or simple linens and leathers for a more relaxed look. Please note product requires some self assembly. Product weight approx 81kg
