Description

Simple elegance, sophistication and style are all channelled through the GS Wall Light from the Tom Kirk collection.

Distinctively different from the ordinary, the Tom Kirk GS Wall Light is more than a room accessory - it is a statement piece that displays you have an eye for style.

The Tom Kirk GS Wall Light is surrounded by three layers of fine glass straws while the frame is available in three different finishes of chrome, nickel or gold, meaning you can customise the light to suit the interior.

Precise with a hint of delicacy surrounding it, the product reflects over 10 years experience that has gone into the manufacturing process from Tom Kirk.
