Description

Adjustable brass wall lamp with matt white powder coated metal shade. Taking inspiration from iconic 1930s design this stunning wall lamp was originally created by Robert Dudley Best, now exclusively manufactured by Gubi.

Simply refined with a Luxe expression, it features an inviting has a white metal shade which contrasts beautifully against an adjustable brass arm. Inspired by the iconic Bauhaus era, this luxury bracket wall lamp is available as standard with a 2 metre cable which leads downwards to your plug socket below.

Achieve a layered lighting illumination by combining with accenting additions from the Houseology designer lighting collection to complete your design scheme in style.

Light source: 1x 40W Max SES opal round bulb (not included)

Cable length: 2 metres with EU/UK socket adaptor and on/off cable switch.

Please note: This product is not hardwired - the cable runs down to plug socket below.
