Description

Slip cast stoneware geometric table lamp with gold leaf finish and black lamp shade.
Illuminate the beauty of your home interior space with the Heathfield & Co Renwick Gold Leaf Table Lamp.

Inspired by geometry, this unusual contemporary table lamp exudes designer appeal.

Sculpted by hand using a slip cast stoneware mould, the geometric base provides a sculptural quality for your chosen interior space. Embellished with a gold leaf finish, the base is complemented with a sleek 18" rectangular black satin lamp shade with gold PVC inner. Combine with complementing designer furniture and lighting from the Houseology Heathfield & Co collection to complete the look in style. Please note: Light bulb is not included - Requires 1x E27 bulb.
