Description

Andrew Martin classic hand painted stone effect wallpaper in traditional sand and limestone colours, as well as contemporary cement and slate finishes. Just like the castle and court of the legendary King Arthur the Andrew Martin Camelot paper will look as magnificent in your home interior as any palace and create an unusual and stylish large format stone block effect.

Andrew Martin International is a UK brand synonymous with luxury and has a global influence in the world of design.
Price is per 10m roll.
