Description

Classic Andrew Martin wallpaper featuring hand painted ceramic plates in 4 stylish colour combinations from striking taupe to traditional delft blues. Our designers love this graphic wallpaper which gives a 3 dimensional effect to home walls. With a combination of differing plate diameters this collection print offsets beautifully against plain fabrics and leathers of furniture.

The world of Andrew Martin interiors is synonymous with everything British and this luxury brand create a lifestyle for everyone of glamour and delight that our designers at Houseology love.

Price is per 10m roll.
