Description

If you want the wow factor in your interior then this modern curvaceous console is just the piece you have been looking for. Made from slatted structured solid ash it is veneered to the colour of your choice and finished with an handy natural glass shelf mounted on a solid ash support. The angled legs further accentuate the contemporary look of this piece. 'Made in Italy' is more than just a catch phrase to describe the origins of this console table and its manufacture, it characterizes the excellence of workmanship and design. Developed and produced entirely in Italy Pacini e Cappellini's collection with contemporary design elements is typically Italian in taste and quality. Matching coffee table is also available.
