Description

Thick glass sculptural Pacini e Cappellini coffee table.
Find the focal point you've been searching for in the Pacini e Cappellini Zen Coffee Table - Clear.
Marvellously minimalist with sculptural serenity at the heart of its Italian furniture design, this elegant glass coffee table features a soft curved bridge silhouette.
Shaped using robust 10mm thick glass, the table characterises the archetypal qualities of workmanship and Made In Italy design.
Encouraging the beauty of your existing interior surroundings to effortlessly filter through, we recommend using this style showstopper in lounge and entertaining spaces to impress your discerning guests at your next stylish soiree.
