Description

Finished in rustic oak and offering vintage and traditional styling to the interior, the Eichholtz Harbour Club Table will be a refined and sophisticated addition in your home.

With simple refined leg detailing and a luxurious aura exuding from it, the table is the perfect piece for hosting dinner parties or entertaining friends. The Harbour Table from Eichholtz is available in one of three sizes, allowing you to choose the piece that best suits your interior and complements the room.

Add one of these tables to the dining room in your home for unrivalled elegance and luxury.

With quality down to the finest details, Eichholtz products offer a unique aspect with both a previous history and a story to tell.

Effortlessly combining aesthetically pleasing products that have everyday practical use, give Eichholtz a place in your home and take the interior to catwalk ready.
