Description

No home is complete without a console table - a commanding piece that captivates and grabs the attention without ever becoming overbearing on the interior.

Add the Andrew Martin Da Gama Console Table to your interior scheme for a luxurious injection of style that offers hints of an industrial aura. The console table has a metallic tabletop that comes with brown leather surrounding the outside edges of the piece. Featuring three built-in drawers - each with lavish brown leather handle detailing - to maximise storage space, the table rests on a stunning chrome frame of criss-crossed legs.

The spotless Da Gama console Table will effortlessly assume a place in an industrial room scheme while also enhancing its surroundings. The table can also be utilised as a decorative accessory for the hallway in the home.
